**Importance:** High

Tom,

**Attorney Client/Ex. 5**

# Attorney Client/Ex. 5

Also, so that you know, we're already in contact with a number of other OGC attorneys, including Steve Hess regarding CERCLA liability and ability to pay for damages that we may have caused, Ann Sisson regarding tort liability, and others.

I look forward to hearing from you. I plan to be in the office all day on Friday.

**Paul Logan**

Deputy Regional Counsel | EPA Region 8
